

Hatsan Blitz Magazine Instructions

- 1) The Blitz is equipped with a magazine support that folds down.

- 4) The magazine is inserted from the right-hand side of the rifle. Align the groove in the rear of the magazine with the barrel and push toward the left-hand side of the rifle.

- 2) Fold the magazine support downward, approximately 90° to the open position.

- 5) Seat the magazine fully into position. The hexagonal hub will almost contact the receiver and the body of the magazine will rest on the magazine support.

- 6) Push the bolt handle down and forward when you are ready to fire the rifle.

- 3) In order to install the magazine, the rifle will first need to be cocked. Pull the cocking handle all the way to the rear and lift it up into the cocked position.
